REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: With respect to the IDS filed on May 18, 2007, the substantive part of the Red Tag Security System document has not been considered, since the evidence of record indicates that the document is not available as prior art. The examiner is relying on applicant's statements regarding the non-availability of the document as prior art in making this determination. In particular, as set forth on the third page of the EIGHTH SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT filed on May 18, 2007, in lines 15-22, "applicants believe that the document was published no later than November, 2000. Applicants are unaware of any evidence purporting to show that the brochure was published prior to applicants' July 31, 2000 priority date. Applicants respectfully request that the Examiner acknowledge that the documents enclosed with this Statement have been considered in his next communication". The following paragraph on the third page of the IDS with respect to the ('656) application is noted by the examiner.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Lloyd A. Gall whose telephone number is 571-272-7056. The examiner can normally be reached on Monday-Friday, 8:30-5:00.
